LAMBETH SOUNDS AT MIGHTY HOOPLA AND CROSS THE TRACKS.

Lambeth Sounds Music Hub is delighted to be teaming up with Mighty Hoopla and Cross The Tracks to offer a highly prestigious opportunity for young local artists to perform at their events in Brockwell Park on 8th and 9th June. These two days of music are a celebration of Pop, funk, Jazz and Soul and have stellar line-ups of international and UK artists ranging from Chaka Khan, Martha Reeves and All Saints.

The event organisers are keen to support local musicians and have offered to run a competition to select Lambeth based artists aged 18-25. The competition will have a panel of judges that will feature a celebrity act, and the winners will get to perform in the opening slots on the main stage. There will be two winners selected, one for the Mighty Hoopla and one for Cross the Tracks.

To apply for the competition, you will need to be either a Lambeth based artist or be involved with the Lambeth Sounds Music Hub and have had at least one year's experience of performing. Applications open from 11th April and close on 29th April. Winners will be announced on 17th May.
